

29.30.31 October 2015
Bangalore International Exhibition Center, Bengaluru

SPEAKER PROFILE

N Jayantha Prabhu
Chief Technology Officer
Essar Group

Jayantha Prabhu has been associated with the Essar Group, a \$39bn conglomerate since January 1999. He has been responsible for establishing the company's technical vision, leading all aspects of the company's technology development across all areas of Information Technology.

He has rightly been the company top technology executive, playing an integral role in the company's strategic direction, development, and future growth. He finds himself part of the executive team that defines organizational goals for the Essar Group. He independently collaborates with six vertical-specific CIOs and CEOs at Essar.

He is responsible for managing a team of 45 members that service a 20,000 user base at 98 locations, with 5 datacenters across the globe. In his current assignment, he is in charge of IT Infrastructure & Technology Project Delivery / Strategy, Business Transformations, Vendor Alliance, New Innovation, IT Procurement, New technology evaluation / Architecture, and IT Centre of Excellence.

He finds himself privileged to be honoured with several awards and accolades spanning national & international forums.
