

29.30.31 October 2015
Bangalore International Exhibition Center, Bengaluru

SPEAKER PROFILE

Leslie D'monte
National Technology Editor
MINT, HT Media Ltd

Delegate Registration

Leslie is a veteran technology journalist with over two decades of media experience. He's worked with leading media Groups such as The Times of India, The Indian Express, Jasubhai Digital Media Group and ZdNet India (acquired by CNET worldwide, and now part of the CBS Interactive).

Since Nov 2011, he has been the National Technology Editor at Mint, a national business newspaper that is part of HT Media group. Prior to that, he was an Associate Editor at Business Standard — a leading financial daily in India. He primarily oversaw the technology besides taking care of two weekly pages — Digital World (formerly Ice World) & Business Education.

In 2010, he took a year's sabbatical since he was awarded the MIT Knight Science Journalism Fellowship (2010-11). He spent the year in Cambridge researching the impact of new media on journalism; the use of new media tools to disseminate information more meaningfully; Cyberwars and cyberespionage; Challenges of the Semantic Web.

Leslie's areas of interest are: The melding of science and technology, and he also runs a blog on this topic at www.sci-n-tech.com
